## REMINDER

### CONTRACTOR MONTHLY CLAIM SUBMISSION

This bulletin is to remind providers of the claiming timelines that apply to the Department's change over from Short-Doyle Phase I to Short-Doyle Phase II (SDII). All providers were advised in several RMD Bulletins to make every effort to submit all claims in the Integrated System (IS) for all dates of service up to and including February 28, 2010 prior to the shutdown of the IS for implementation of the gross billing function related to SDII.

Providers with services that have not been submitted for Medi-Cal reimbursement should make every effort to triage their claims to ensure that those with the latest dates of service are submitted first. This specifically applies to those claims with November 2009 dates of service without a valid late code for late submission. Claims with November 2009 dates of service must be submitted by May 5, 2010 so payments can be included with the June payments and the claims will not age out.

Please note the following claims submission schedule:

Month of Service	Claim Must be Submitted No Later Than
November 2009	May 5, 2010
December 2009	June 5, 2010
January 2010	July 5, 2010
February 2010	August 5, 2010
March 2010	September 5, 2010
April 2010	October 5, 2010
